

SPLASH FOUNDATION & CONCORDIA PTA

We work synergistically to coordinate fundraising efforts and community involvement.

SPLASH FOUNDATION is a non-profit organization consisting of families, alumni, and friends of Concordia Elementary. It raises funds to bridge the gap created by budget cuts to provide academic and enrichment activities that otherwise may go unfunded by traditional sources.

The overall purpose of the **PTA** is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children. The **PTA** forms the backbone of many vital campus activities and events while the foundation funds needed initiatives deemed by the principal, parents, and teachers.
